INTERNSHIP COMPLETION CERTIFICATE

This is to certify that

Arpita Mahapatra

a student of B.Tech CSE (Specialization Artificial Intelligence & Data Engineering) at Lovely Professional University, has successfully completed a summer internship with Futurense Technologies from 09th June 2025 to 30th August 2025.

During the internship, the intern was introduced to **analytical methods, data interpretation, and the process of deriving structured insights to support decision-making**.

We appreciate the successful completion of the internship program and extend our best wishes for future achievements.
